Attachments

Use this section to provide any additional attachments referenced in the Plans.

Attachment 1: Deconcentration Policy

It is the policy of the Stanton Housing Commission to provide for deconcentration of poverty and encourage income mixing by attempting to both higher and lower income tenants into the development. This will be done, in part, by affirmatively marketing our housing project to all eligible income groups. Prior to each new fiscal year, we will look at the income levels of all in the development to determine the marketing needed.

Attachment 2: Public Notice to newspaper

"The Stanton Housing Commission has developed its Agency Plan in compliance with the Quality Housing and Work Responsibility Act of 1998. It is available for review at the Authority's Office located at 602 Elliott Street, Stanton, IA. The Authority's hours of operation are 9:15 A.M. to 11:30 A.M. In addition, a public hearing will be held on December 18, 2000, at the Authority's office at 10:30 AM. Everyone is invited."

Attachment 3: Minutes of the Advisory Council

The advisory board of Halland Village met at 10:15 AM on Friday, July 14, 2000, in the community room with members Berniece and Ray Baucom, Eleanor Hallquist, and Walter Hoffman attending as well as Director Georgia Clark. Unable to attend were Neva Morehouse, Miriam Larson, and Cheryl Watson.

Director Clark thanked the group for their attendance and told them that she would be looking into how formal an organization this was to be with regard to officers, frequency of gathering, etc. At this time an informative and informal meeting and discussion was held.

The group was told that there was an upcoming meeting for resident leaders in Kansas City that they may be getting information on. They were also informed of the 1999 CIAP award in the amount of \$27,632 and the budgeted uses of it so far and what was yet to be expended. The director showed the rough draft of a publicity brochure for the Village that is in its final stages for completion by August's Homecoming 2000 town celebration which was included in that budget. The ceiling fans, washer and dryer, and computer system upgrade are other expenditures made thus far with some landscaping, closet door and laundry room flooring replacements, and air cleaners yet to be purchased.

Pointers from a visit from a HUD marketing specialist were also reviewed, showing how the Village might look to outsiders considering this for a place to live. A discussion of this followed that generated ideas such as refinishing the kitchen cabinets and adding new faucets, preferred finishes for the planned closet door replacements, and the selection of drapes as proposed to vertical blinds for the window coverings.

The 2000 Capital Funds award in the amount of \$26,250 was also discussed with ideas from the members for its use solicited. Major ideas given were stackable washer/dryer combos for each unit, ceiling fans for the bedrooms, and ducted range hoods. The director told of dreams to add another parking area to the southeast edge of the Village property, renovation of a 2-unit building into a single, 2 bedroom unit, and additional landscaping, using Capital Funds either this year or in years to come.

The group then toured a vacant unit in a 1-story building (#8) and one in a 2-story building (#13) for ideas/viewpoints about improvements that could be made.

Since there was no further business, the meeting was adjourned.

Georgia Clark, acting secretary

Attachment 4: Community Service Policy

It shall be the policy of the Stanton Housing Commission to identify all adult family members who are not exempt from the community service requirement. Their community service shall begin on the effective date of their first annual reexamination on or after 10/01/99. They will perform work or duties in the public benefit that serve to improve the quality of life of the community residents.

It shall also be the policy of the housing authority to work with social service agencies, local schools, and human resource offices in identifying volunteer community service positions. With the resident advisory council, the housing authority will create volunteer positions within the housing authority; a list of volunteer opportunities will then be provided.

Attachment 5: Minutes of the Advisory Council

Three members of the Resident Advisory Council of Halland Village met on Monday, January 8, 2001, at 10:30 AM in the Halland Village community room. Attending were Walter Hoffman, Berniece Baucom, and Ray Baucom as well as Director Georgia Clark. Those not attending were Eleanor Hallquist, Neva Morehouse, and Cheryl Watson.

The director discussed with the board the procedure of the agency annual and 5-year plans and reviewed what had taken place thus far. The minutes of the public hearing held on December 18, 2000, were read and the director told them, since none of them were able to attend, of the recommendations that had come in during the 45 day waiting period prior to the hearing. It was a consensus of the group, after hearing of the suggestions, that none be adopted considering that the existing, proposed policies had been carefully reviewed for legalities and technicalities, already. They did agree, however, that the ideas put forth were good and were grateful for the interest shown.

The suggested mission statement, goals, and objectives of the 5-year agency plan were presented and the group found them acceptable. The table of the proposed 5-year action plan was reviewed, explained, and discussed.

They

were also in agreement with this plan.

When there was no further business, Berniece Baucom made a motion that the meeting be adjourned and it was seconded by Ray Baucom. Motion carried; meeting adjourned.

Respectfully, Georgia Clark,
acting secretary for the advisory board
